USING YOUR SURGE PROTECTOR

1. Ensure the power is off on the devices you will connecting to the AC outlets on the surge protector.
2. Connect the coax output from your wall to the coax-in on the surge protector and connect the coax-out to your television.
3. Plug the surge protector into a properly grounded AC wall outlet.
4. Check that the PROTECTED blue LED light is illuminated. (If not, the surge protector is not operating properly and will not protect your connected devices).
5. Plug your equipment into the outlets on the surge protector and power on your devices as usual.

SAFETY INFORMATION

- **RISK OF ELECTRIC SHOCK** – Use only in dry locations and only indoors.
- DO NOT plug into another relocatable power tap.
- DO NOT “daisy chain” surge protectors.
- DO NOT plug into 220V outlet or power source.
- DO NOT use with any aquarium equipment.
- DO NOT connect to an ungrounded outlet.
- DO NOT install this device if there is not at least 30 feet (10 meters), or more of wire between the electrical outlet and electrical service panel.
- This device features internal protection that will disconnect the surge protective component at the end of its useful life (PROTECTED LED WILL TURN OFF) , but will maintain power to the outlet – **WHICH WILL BE UNPROTECTED**. If you don't want your equipment at risk, the surge protector will need to be replaced.
- DO NOT use in any circumstance that would affect the operation or reliability of life support equipment, any medical applications, or patient care.

TECHNICAL SPECIFICATIONS

Number of Outlets	3
Number of COAX Connectors	2 (1 In/1 Out)
AC Outlets	All 3 filtered with surge protection
Protection Modes	L-N, L-G, N-G
Thermal Fuse	Yes
Maximum Current	15 Amps
Line Voltage	120V @ 60Hz
Certification	UL 1449, UL 498A
Max Energy Dissipation	1080 Joules
Max Spike Voltage / Current	6,000V / 72,000A
Response Time	1 Nanosecond
Filtration	EMI / RFI 50dB

LIMITED LIFETIME WARRANTY

ELAC Americas Inc. warrants to the original purchaser that this product be free from defects and or workmanship for lifetime of this product from the original date of purchase. During this time period, repair or replacement will be free of charge to the original owner (See below limitations). Shipping to and return from the repair center will be the responsibility of the original purchaser.

Limitations

- Warranty begins on the date of original purchase from an authorized ELAC Americas Inc. dealer. Products purchased from an unauthorized reseller will not be honored.
- Product is warranted only if used in home applications within the rated specifications of this product. Commercial use of this product is not warranted.
- Product that has been modified or altered in anyway will not be warranted.
- Product that has been abused or subjected to faulty equipment will not be warranted.
